Policies. A “Policy” means a Company policy that applies in accordance with its terms to any Service or Service capability within its scope, as may be modified by Connect from time-to-time. Connect’s policies include the following:

- Connect’s **Acceptable Use Policy** referenced in Part 3 of these Terms and Conditions.

PRIORITY OF SERVICE PUBLICATIONS

The order of priority of Connect's Service Catalog is:

- a. For prices: The applicable Pricing Schedule found at (a) Connect's website www.whiteriverconnect.com/pricing (b) any service agreement signed by the customer.
- b. For Terms and Conditions: Any applicable Service Contract, Connect's Bylaws, Policies, and these Terms and Conditions; provided that for any regulated Services a rule may be first in priority in any jurisdiction where the applicable law or regulation does not permit contract terms to take precedence over inconsistent terms and conditions.

If a conflict exists among provisions of Connect's Service Catalog, such conflicts will be resolved in accordance with the preceding order of priority; provided that specific terms will control over general provisions and negotiated or added terms, conditions, or pricing will control over standardized, published, or non-negotiated terms, conditions, and pricing.

CHANGES TO SERVICE CATALOG

Unless otherwise provided in your Service Catalog, Connect may revise its Service Catalog at any time and will post such updates on its website. If Connect revises a Service Publication, the revision has a materially adverse impact on customer, and Connect does not implement revisions that remedy such materially adverse impact within 30 days after receipt of notice from customer, then customer may, as customer's sole remedy, elect to terminate the affected service or service components as provided in Part 1, Section 1.7. If Customer does not timely provide notice to Connect of a materially adverse impact of a Service Publication revision, then Customer shall be deemed to have expressly accepted such revision.

1.1 APPLICATION OF TERMS

The General Terms and Conditions set forth in Part 1 of this Service Catalog apply to all products and Services Connect provides customer pursuant to this Service Catalog and shall continue in effect so long as Services are provided under this Service Catalog. To the extent applicable to any Service, Services are also subject to the service-specific terms and conditions set forth in other Parts of this Service Catalog.

In the event of any conflict between these General Terms and Conditions and the service-specific terms and conditions set forth in other Parts of this Service Catalog, the service-specific terms and conditions shall control.

1.2 OBLIGATION AND LIABILITY OF CONNECT

In establishing connections with the facilities of other companies, Connect does not assume any liability for any action of the connecting company.

Notwithstanding the foregoing, the customer acknowledges and agrees Connect is not liable for any acts or omissions of its authorized contractors who shall remain liable for their respective work upon customer's property.
6. Limitation of Liability. Connect shall not be liable for any damages arising out of or relating to:

1.3 ESTABLISHMENT AND MAINTENANCE OF CREDIT

1. Establishment of Credit. Applicants for Service may be required to pay in advance of installation, the service connection, installation and/or construction charges, and any recurring charges to be assessed on the first monthly bill statement. In order to ensure the payment of all charges due for its Service, Connect may require any customer to establish and maintain credit in one or more of the following ways:
 - a. By authorizing a commercial credit check by Connect.¹
 - b. By furnishing credit references acceptable to Connect.
 - c. By means of a cash deposit.

Unless otherwise provided by law, the amount of deposit required shall not be more than the maximum charge for two (2) months' Service or as may be required by Connect in cases involving Service for short periods or special occasions. Connect may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase. Connect shall be entitled to any and all interest earned on any customer deposit(s) held.
 - c. Connect will maintain records which show the name and address of each depositor, the amount and date of the deposit, and each transaction concerning the deposit. Unclaimed deposits shall belong to Connect unless otherwise required by law.
 - d. Upon customer request, a receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by Connect records.
3. Deposits and Collection Practices. The fact that a deposit has been made in no way relieves the applicant or customer from complying with Connect's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of Connect providing for the discontinuance of Service for non-payment of sums due Connect for Services rendered. Connect may discontinue Services to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with Connect to secure payment of such bills or has furnished Connect with a guarantee in writing for such bills.

1. Application for Service. Applications for Service may be made orally, electronically, or in writing. These applications become contracts upon the establishment of the Services. In addition to any required deposit, applicable recurring charges will appear on the first monthly bill statement, and non-recurring Service and construction charges may also be required in advance. The terms and conditions specified for such contracts are subject to these Terms and Conditions as applicable to the Service to be furnished. Any change to these Terms and Conditions shall act as a modification of the contract to that extent, without further notice.

Connect shall have no obligation to perform work at a location that is not a suitable and safe working environment or to handle, remove, or dispose of Hazardous Materials.

5. Maintenance and Repairs. All expenses of maintenance and repair of Services or facilities provided by Connect will be borne by Connect. The customer will be held responsible for restoration or replacement costs in case of loss of, damage to, or destruction of any of Connect's facilities or equipment not otherwise due to customer's normal use. Customer may not rearrange, disconnect, remove, or permit others to rearrange, disconnect, or remove any Company owned facility or equipment installed by Connect unless expressly provided elsewhere in these Terms and Conditions.
6. Unusual Installation Costs. Where special requirements of the customer involve unusual construction or installation, the customer may be required to pay additional costs as provided elsewhere in these Terms and Conditions.
